The meeting will be held:

Thursday, November 6, 2014 at 7:00 p.m.

At Location:

**Embassy Suites (Conference Room)
901 E Calaveras Blvd, Milpitas, California 95035**

The San Jose LEA received an application from Newby Island Sanitary Landfill on February 3, 2014 to revise their permit and Joint Technical Document (JTD) to reflect their proposed operations. The application was deemed complete and correct on August 29, 2014 pursuant to Title 27, California Code of Regulations Section 21570 (f).

The Revised Permit contains the following proposed change(s):

- Increase the height/capacity of the on-site landfill to 245 ft MSL (up from 150 ft MSL)
- Increase the capacity of the landfill by approx. 15.1 million cubic yards, excluding cover material
- Extend the estimated closure date until January 2041.

Pursuant to Public Resources Code (PRC) Section 44307, if any person files a petition or appeal challenging the permit approval and alleges that this Agency has failed to act as required by law or regulation during the approval process of the amendment application, the Agency shall hold a hearing. The hearing will be conducted in accordance with the procedures specified in PRC Section 44310.

The Application and accompanying documents for a revised Solid Waste Facilities Permit for this Landfill are available for review/comments between the hours of 9:00 a.m. and 5:00 p.m. Monday through Friday at:
